

## **SNOW Cezars Kitchen Representative Role Description**

### **-2023-**

*The Cezar's Kitchen (CK) Representative's job involves collecting feedback from students to better the culinary experience at UWC ISAK and collecting requests for projects related to Cezar's Kitchen from faculty and students. Any projects related to food sustainability are also brought up in meetings with the Cezar's Kitchen and discussed with the Representative. The Representative's job is also to make sure every student and faculty know what to do if there is a spill, broken plate, etc. The CK Representative leads the Food Committee, consisting of members of all grades, faculty, and Cezar's Kitchen. The food committee discusses the food quality and student preferences at least once a month.*

#### **Vision:**

The Cezar's Kitchen Representative envisions the UWC ISAK culinary experience to be enjoyable for all students and aims to ensure that students' feedback and suggestions are heard by Cezars Kitchen and the administration.

#### **Mission:**

The Cezars Kitchen Representative aims to be the bridge between the student body and the school in ensuring that concerns are heard and addressed when it comes to the school's culinary experience. The Representative aims to advocate for changes in the Cezar's Kitchen that originate from the student body, SNOW, faculty, and/or the Representative themselves.

#### **Role Description:**

- The Representative collects feedback from all grade levels, the faculty, and the CK, communicates it to the administration and/or CK, and works on solutions.
- Ensures that the entire student body is aware of the CK guidelines.
- Communicates all student needs/projects to CK and ensures the CK is not overwhelmed with indirect communication.
- Organizes the Food Committee and discusses the current status of CK.

#### **Requirements:**

- Ability to stand one's ground, persistence
- Understanding of the basics of how catering is run
- Skills in communication and discussion
- Passion for quality food
- Active involvement in the community
